Note: The responses from students were captured during the COVID-19 pandemic.

OPEN-ENDED COMMENTS ON THE SUBJECT

Note: Each bullet point denotes a response from an individual student.

1 What aspects of the subject were most useful to your learning?

- Critical thinking
- financial knowledge and the method to study
- Everything
- The presentation model is different from the group pre mode, which gave me a great chance to improve my pre skill in all aspects, so I can find out which part of pre skill that I need to improve most.

2 How could the subject be improved to help you learn better?

- in my opinion, i think the class content is very comprehensive. it would be better if we can do more question paper and solve them in class.
- it is so good
- The relationship between economics and sustainability
- More detail?

OPEN-ENDED COMMENTS ON THE STAFF MEMBER

Note: Each bullet point denotes a response from an individual student.

1 What aspects of this staff member's teaching were most helpful to your learning?

- teacher uses the different teaching aspect to let us learn the knowlodge about the course. he would ask everyone whether they have grasp the idea about point. and he is very kind and patient to solve our problems.
- The patience
- financial knowledge and the method to study
- Patient generous handsome

2 How would you like the teaching be changed (if at all), to help you learn better in the subject?

- If there is no COVID 19 we can have the class face to face. That would be better.
- He is so good
- already good
- i think the current teaching model is suitable for me. based on my situation, i think it would be better to teach us more about how to solve the question, or how to solve them by differnent way.
